

Call for Papers – SERI-D Lightning Talks

Date: 26-27 July 2024

Submission deadline: 10 June 2024, 11:59 PM IST

Eligibility: Doctoral students registered in Indian universities.

The Society for Economics Research in India (SERI) is pleased to announce a call for papers for the inaugural *SERI-D Lightning Talks*. These will be held as a special session within the 10th SERI Annual Workshop organized by the Economics Group at the Indian Institute of Management Calcutta (IIMC) and the Centre for Training and Research in Public Finance and Policy (CTRPPF).

The special session aims to provide a platform for current graduate students to present their works for focused feedback and inputs that will improve their work. We welcome papers from all theoretical and empirical areas within economics.

The *Lightning Talk* session will consist of *short paper presentations* for about 15 minutes each. The SERI platform also provides opportunities to the graduate students to interact with other economists attending the SERI annual workshop and also engage in peer-networking.

Please submit full papers at:
